

Each year, nearly 800 students at Douglas Freeman compete on more than 38 teams. With your membership in the Booster Club, you support our programs and you save money on admission to home sporting events. See our website (www.dsfaestheticboosters.org) for details about benefits associated with each membership level.

Athletic passes and tickets may be used for all home Varsity and JV athletic events, excluding tournaments and Invitationals. Without a Booster Pass, costs per sporting event are \$8 for football and \$6 for all other sports. Preferred parking applies to all home football games except Homecoming. Tickets and passes from prior seasons are no longer valid.
