Cultivating Student-Athletes

Each year, nearly 800 boys and girls at Douglas Freeman compete on more than 38 teams at the varsity, junior varsity, and freshman levels in 15 different sports. Whether they're on the court, the field, the track, or the mat, these students are learning the value of teamwork, and they're developing the discipline and self-confidence they need to perform in the classroom.

The logo for the Douglas Freeman Athletic Booster Club, featuring the word "Rebels" in a large, blue, stylized script font with a white outline and a slight shadow effect.

Please consider donating your tickets and passes to students who could not otherwise attend sporting events. For more information, contact Suzanne Criswell at 673-3700.

Mission of the Booster Club

Established in 1982, the Douglas Freeman Athletic Booster Club helps provide our athletic program with the financial resources it needs to build competitive, successful sports teams that engage the interests and skills of our students. While Henrico County provides some funding for basic needs, such as coaching positions and transportation, a significant portion of the expenses incurred by our athletic department must be offset by fundraising. Uniforms, equipment, field maintenance – these and other expenses are the school's responsibility. Since 1982, the Booster Club has raised and donated more than \$1 Million to the athletic program in an effort to offset these costs and, at the same time, provide our athletes with the best coaches and facilities available.

Membership Levels

When you make a tax-deductible donation to the Booster Club, you save money on admission to home sporting events.

Booster Club Accomplishments

Contributions from Freeman families and friends help us build a stronger athletic program. The Robert Mallory Freeman Strength Training Center is a perfect example of what we can accomplish through your financial support. This state-of-the-art facility benefits all our athletes, and your support supplements the year-round salary of our strength training coaches.

Here are a few of the other ways we've enhanced Freeman's athletic program:

- ***Sound system: soccer, football, baseball and softball fields***
- ***Audiovisual training equipment***
- ***Coaching clinics***
- ***Gymnastics equipment***
- ***Wrestling mats***
- ***Start-up costs: field hockey, lacrosse***
- ***Senior scholarships***
- ***Outdoor track resurfacing***
- ***Volleyball net system***
- ***DSF Spirit Flags***
